# FOUR-LEAF CLOVER

「四つ葉のクローバー」

The three-leaf Clover
is leaving its cage

「三つ葉のクローバー」

Why?

I wonder why

What will you do?

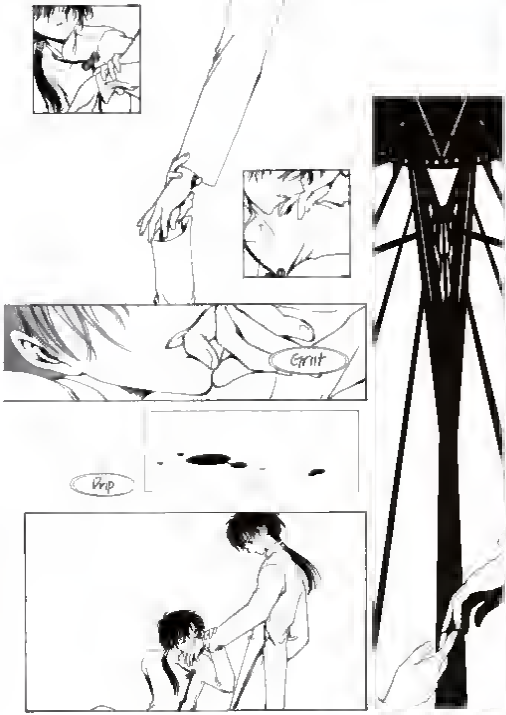
I wonder

You're leaving?

I am

THREE-LEAF CLOVER

No matter how much I beg you to stay?
Goodbye.



Grrrrr
Urrp

I'll
see
you
soon.

# 『歌う声』 A Singer's Voice

*Fearlessly, Unconcernedly, Patiently*

It took me three months to get her

In your
arms
I will be
reborn

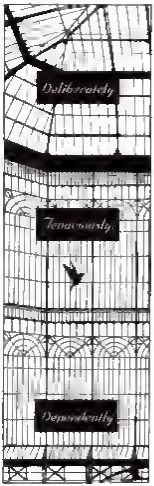
聞こえる声

AN AUDIBLE VOICE

For myself I will be reborn

Once again I will my birth In a golden egg

Once again to fly with silver wings



In your arms

I will be reborn

There were three three-leaf Clovers

One died.

One remains in the cage

And the other

has departed

For myself I will be reborn

In your arms I will be reborn

A Beckoning Sound
『呼ぶ音』
This is my commander Gingetsu
Hello I'm Ora
May I give him a kiss?
And for you.
BEEEEEEP
beep
Duty calls?
Yes
I had hoped we'd get to relax for a while

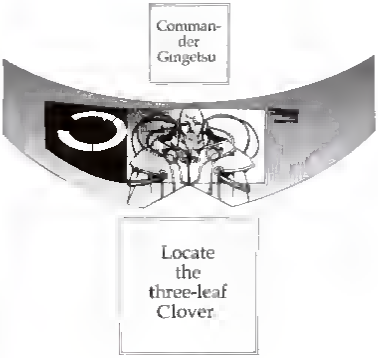
Don't worry I'm the only one being called.

## COMMUNICATION

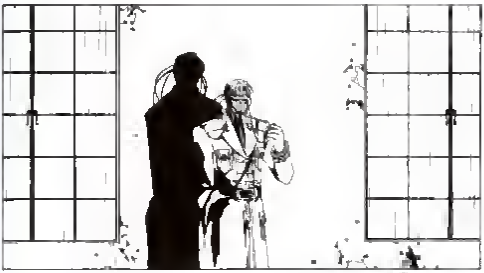
The three-leaf has escaped

Azalea hasn't found out yet

But the real problem is the Council



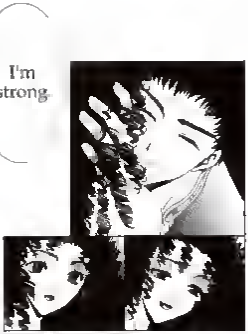
Commander Gingetsu
Locate the three-leaf Clover



# A Promise

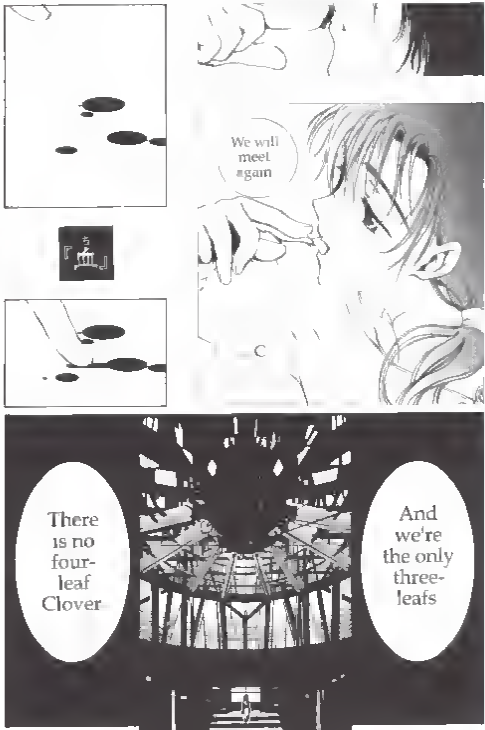
Are you sure...
『約束』
you don't have to go?
He and I have a promise
What kind of promise?
That he won't die before I do
What is it?
To not die is the greatest gift you can give someone you love

Well, I m not going to die
Not before you



I'm strong

Of course you are .



We will meet again
There is no four-leaf Clover
And we're the only three-leafs

# ALONE

I'm here
I exist here
Whisk the past away
On fluttering clouds
Let the future ride on the wind
I'm all alone
And I'll always be alone
In your arms
But I'll be here.
I will be reborn

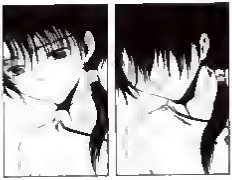
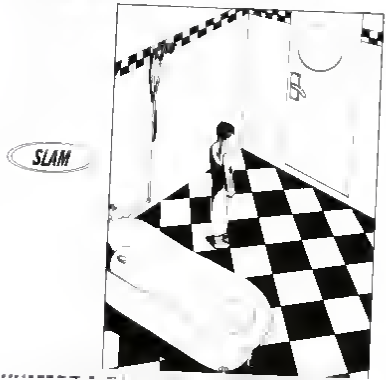
Then where are you going to go?



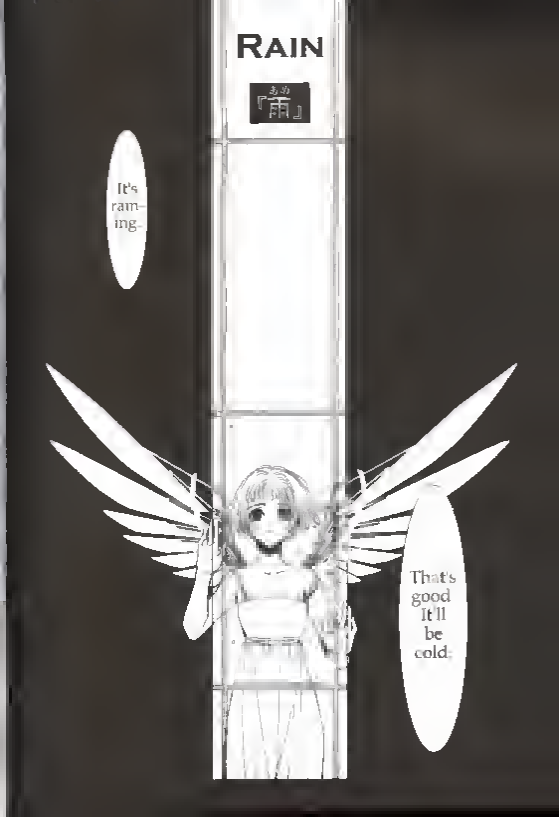
Klak
You don't want to catch a cold do you?
No



SLAM

# RAIN

『雨(あめ)』



『5』

The three-leaf ... still hasn't been found

# FIVE

Any new information?

No

And the remaining three-leaf?

So far there's been no change

Does the four-leaf know about this?

Of course she does.

Two-leaf over the one

Three-leaf over the two

And four-leaf over the three.

The more leafs, the stronger
And the lower leafs don't have the ability to detect other Clovers or their powers
But the higher leafs can track a lower leaf's position and determine its strengths

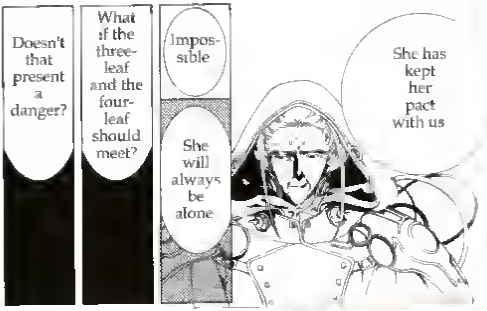
Leaf level-4



Doesn't that present a danger?
What if the three-leaf and the four-leaf should meet?
Impossible
She will always be alone
She has kept her pact with us

As far as the three-leaf is concerned, we can manage if the five of us combine our powers

Besides,
he
cannot
survive
long
outside
the cage.

# 『4』

# FOUR

For you

I will be reborn

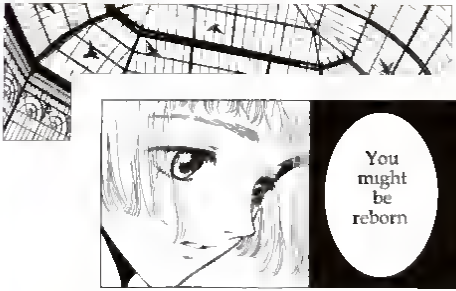
The bliss of our meeting In a gentle light

Our eventual parting a pouring rain

An indigo that blooms In the dark rain shade

In your arms

I will be reborn

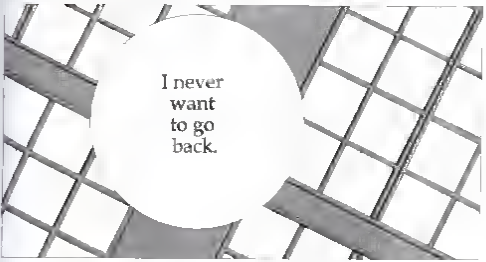


# Three

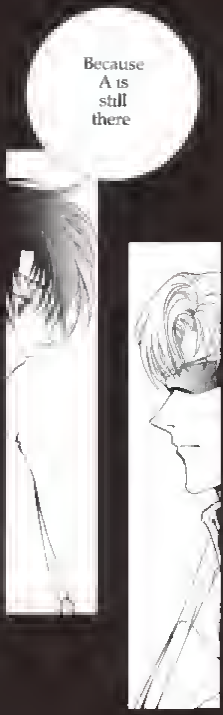
Did you want to stay wet?
No.
Is this yours?
No
Do you like standing?
May I sit?
Do whatever you like
You're military, right?
Yes.

What are you going to do with me?

What do you want me to do?



Why?



Because
A is
still
there

I'd like to speak to the Wizards

# TRUST

『信　頼』

*For you*

*I will be reborn*

*The bliss of our meeting*
*Is a gentle light*
*Our eventual parting*
*a pouring rain*

*In your arms*
*I will be reborn*

You take my hand

And I hold yours

Our two paths cross as one

Deeply, fiercely

For myself
I will be reborn

In your arms

I will be reborn

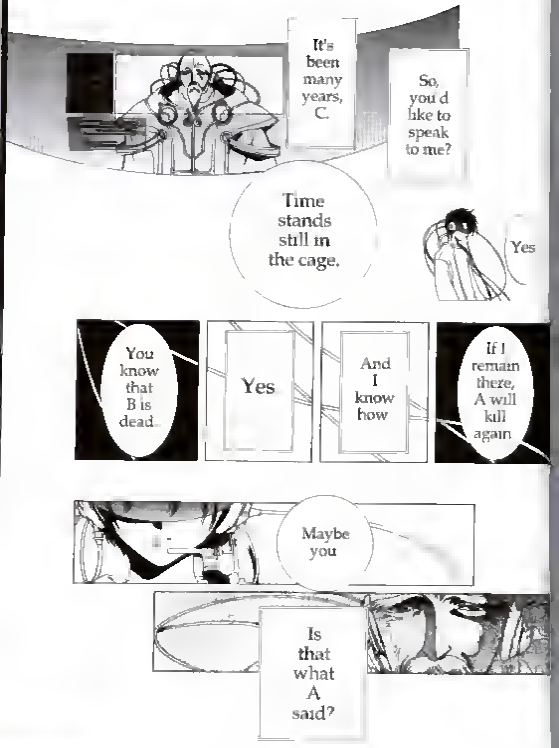
No transmissions...

So, I assume that everything's alright.

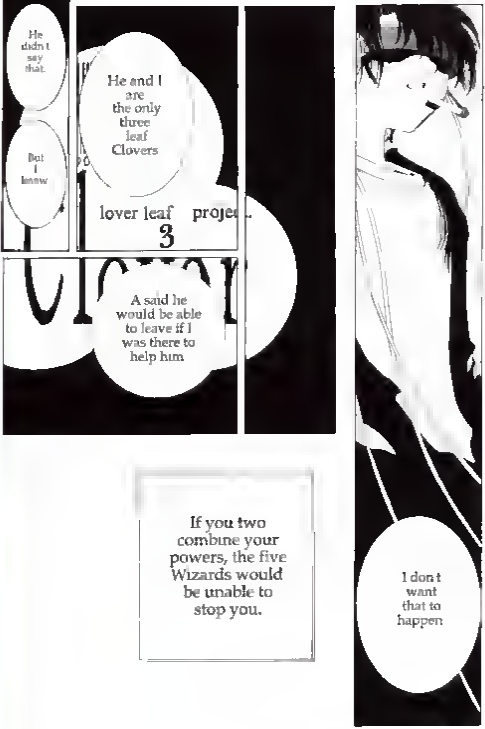
Gin-getsu.

# DUTY

I have the High Parliamentary Council Leader
『任』
『務』
Wizard Shu online
Commander please join us



It's been many years, C.
So, you'd like to speak to me?
Time stands still in the cage.
Yes
You know that B is dead.
Yes
And I know how
If I remain there, A will kill again
Maybe you
Is that what A said?



He didn't say that.
But I knew
He and I are the only three leaf Clovers
lover leaf
3
A said he would be able to leave if I was there to help him
If you two combine your powers, the five Wizards would be unable to stop you.
I don't want that to happen

But I can't change A

So, that's why you left

A is your twin brother

Identical in appearance and power

Are you sure you can leave him?

Besides, you know that you won't survive long outside the cage

I know

But, the only thing I can do is separate myself from A

A's emotions are unstable

It probably is dangerous to keep you two together

Where would you like to go?
Clover
It doesn't matter
I have no place to go

Alright then. We'll look into the other three leaf Clover
Commander Gingetsu
Please look after the boy.
Is this an inconvenience?
Yes

Then it's a command.

Secret Service Unit Commander Gingetsu

Your orders are to protect the three-leaf Clover in your care.

Yes, sir

# A Sign

「印」

What's the matter C?
I guess something happened
I know what you're feeling
We were born to-gether

And we will always be together

Always...
Forever...

For you
I will be reborn

A
WISH

Don't look away

Never let go

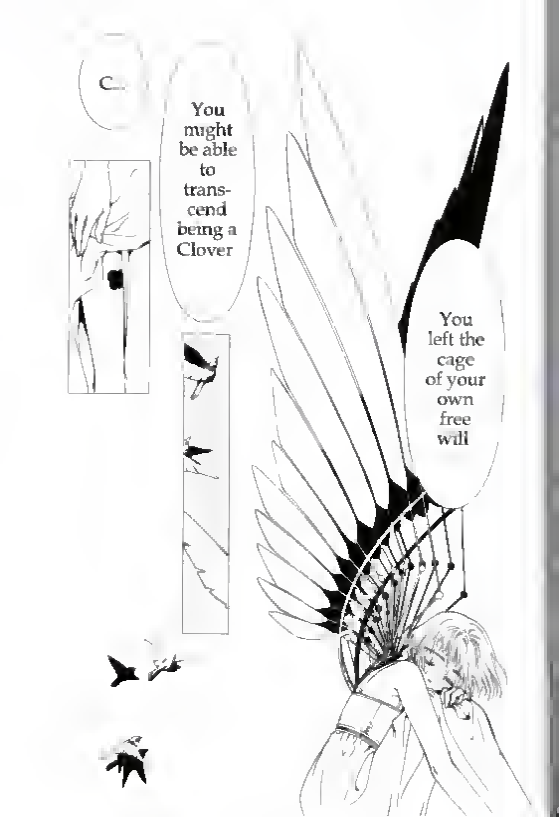
The strength
of will

The frailty
of a wish

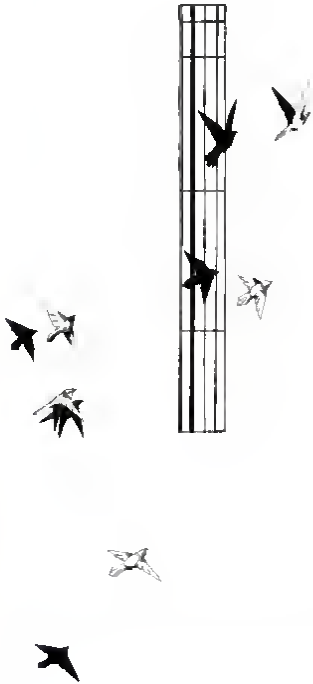
*In your arms*
*I will be reborn*

*For*
*myself*
*I will be*
*reborn*

*In your arms...*



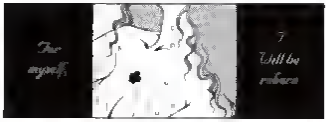
C...
You might be able to transcend being a Clover
You left the cage of your own free will

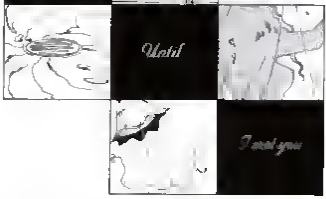


# A Clover's Bliss

They say you'll discover happiness if you find a clover.
But how will a Clover find happiness?
That is something the Clover will have to find out.

# Soft Hair And Sweet Nothings





Thus, in your arms I will be reborn
For myself I will be reborn
beep beep
In a bad mood?
Are you being called in?
Oh, no It s nothing

But.
you are in a bad mood.
Is it because your commander hasn t called you?
I knew it.

Why do you want to wash my hair?

They say dogs don't like to appear vulnerable in front of enemies

So, the fact that you're letting me wash you is proof that you love me

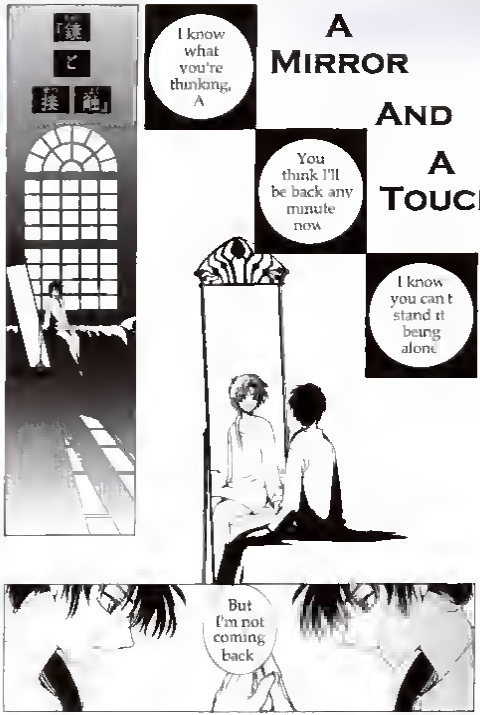
So, you're saying I'm a dog?

I love you.

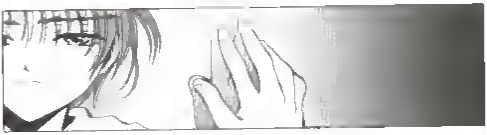
Kazuhiko

I want to stay
with you.
We will
always be together

If only



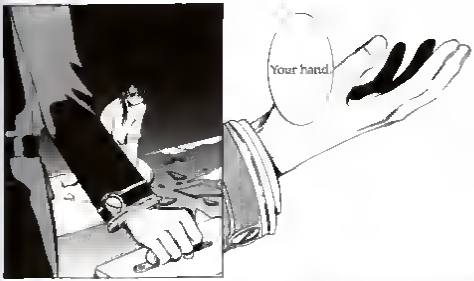
「鎌ヒ接触」
I know what you're thinking, A
A Mirror And A Touch
You think I'll be back any minute now
I know you can't stand it being alone
But I'm not coming back



A, even when we're together it's like

I'm alone

I'm sorry
I broke your mirror



Your hand.

Thank you
You're good at this
Is it because of your work?
Do I talk too much?
It's been awhile since I spoke to anyone other than A or B
Don't worry about it

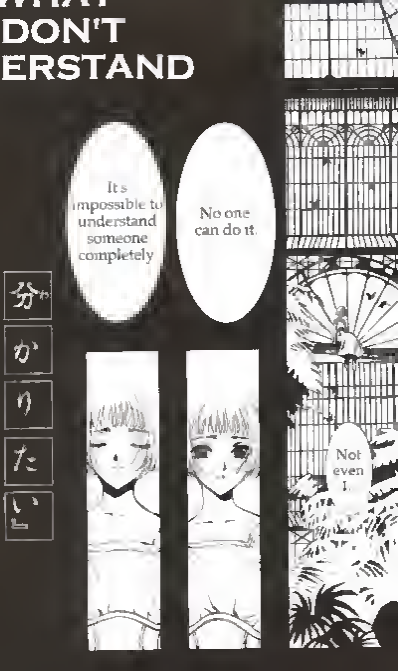
# WHAT I DON'T UNDERSTAND



# A Song For Everyone

「みんなにうたう歌」

*As I break off pieces of my old shell*

*Newly formed tears roll down my cheek*

So, I guess you're staying at home

and working from there?

*As you embrace me*
*My ethereal wings flutter open*

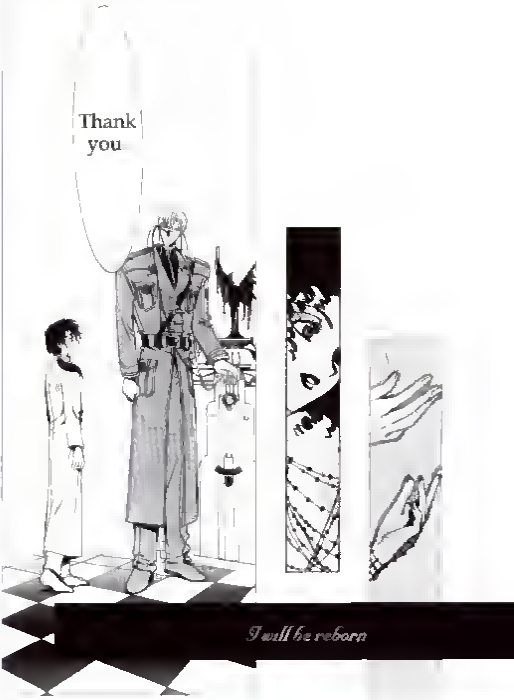
Then I'll use my leave time and spend it with Ora.
Well, don't do anything I wouldn't do
Unless, of course, it's really important.
Only for you will I be reborn
Right.
See you.

# A Song For Two

...she sings beautifully

In your arms

I will be reborn



Thank you
I will be reborn

# A Song For One

*As I break off*
*pieces of my old shell*

*Newly formed*
*tears roll down*
*my cheek*

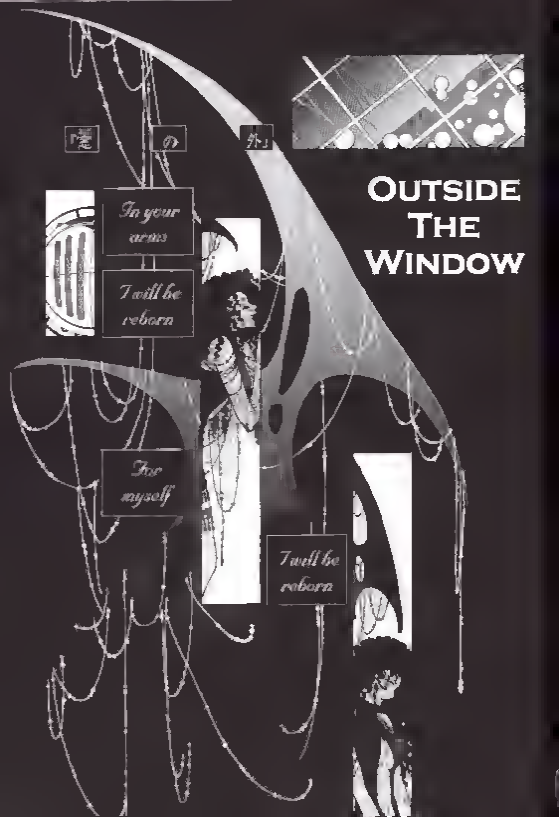
*In your*
*arms*

*As you embrace me*
*My ethereal wings flutter open*

# ANGER

But your brother is very un-happy

How can you be happy with-out me?



窓の外
In your arms
I will be reborn
For myself
I will be reborn
Outside The Window

Break off the chains that bind My heart and feet

How is C doing?

Well so far

C was always an obedient and well-behaved child

But not so A

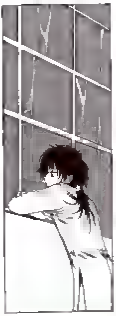
A's emotions are fluctuating wildly

He's not aware of the four-leaf's existence, so in his mind, he and C are the most powerful Clovers

It might prompt him to take action.

Above all...

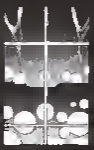
...he knows that he can't survive long outside the cage.



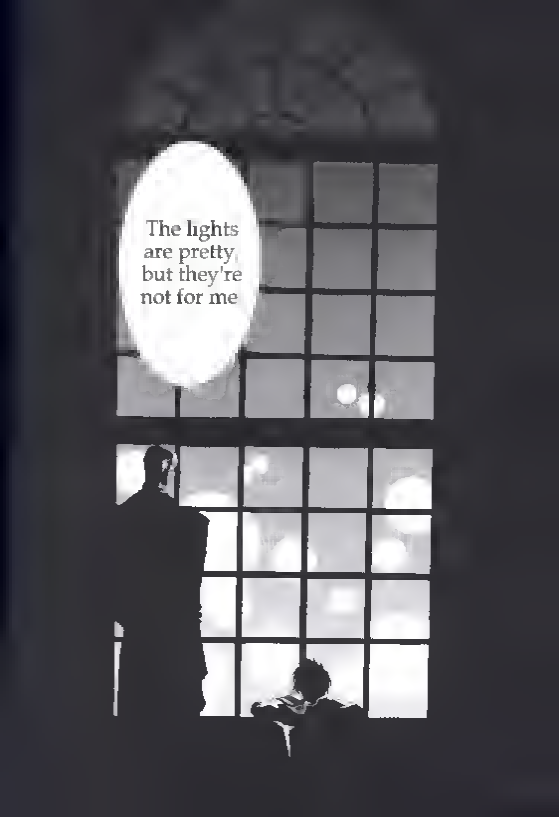
*In your arms*
*I will be reborn*

Do you want to go outside?

No

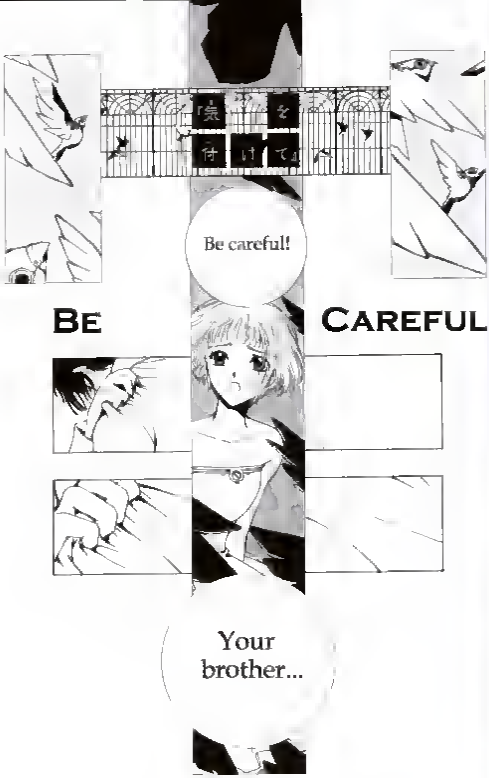


*For you I will be reborn*



The lights are pretty, but they're not for me

Not ever...



気を付けて
Be careful!
BE CAREFUL
Your brother...

# FAREWELL

No,
I'm the
real
thing

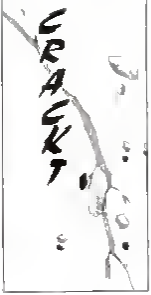
How can you be happy without me?

I'm not

Then why are you here?

Is it because of him?

So, now you don't need me anymore?
That's not it!



CRACK!

A!

Get out of the way, C.

It's your fault. You wouldn't pay attention to me

You loved B instead

Just like I killed B

I'm going to kill him.

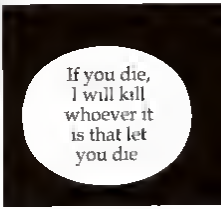
I'll kill *myself* before I let you kill again.

Listen, A
As long as we're together
...we're trapped
If we live apart, then we won't have to live in that cage.
I know what you're thinking, C.

If I take you back to the cage, you'll die.

If you break that promise...

I will kill again



I can feel your emotions C No matter where you are

I always will.

We're the only three-leafs on this earth

We'll always be linked together

I'll see you ...

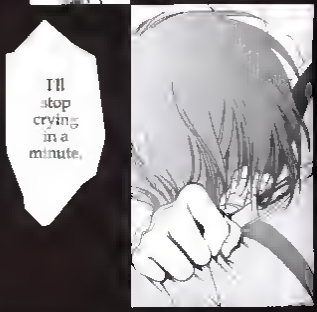
... Brother.

Good-
bye.

# Tears

『涙』

I'm sorry.



I'll stop crying in a minute.

You don't need my permission to cry
No.

Then
do as
you
wish

Thank
you

# TWO-LEAF

I heard A visited you

Yes.

And C?

He said he would remain separated

A said the same thing

As long as they stay apart, we can keep them under control

But we'll have to monitor their every move

A is not stable and is therefore unpredictable It would be easier to monitor C.

Where?

It would have to be a location without access to the outside

Some-thing simular to the four-leaf's situation.

Then as long as I restrict his accets ..

. I can keep him here It is completely secured

But you're a two-leaf

There's no way I can allow you to coexist with a three-leaf

Two plus three equals five

Combined, you two could overpower the Council

Then I will implant a kill device in myself

The Council will have control of the activation switch.

If any situation arises involving myself or the three-leafs, you can execute the kill device.

We would have to implant it in your brain

We would need to ensure that no regeneration could be possible

Why are you doing this?

Is it because you were a product of the Clover Project?

No.

I just decided that this would be the best way to handle the situation.

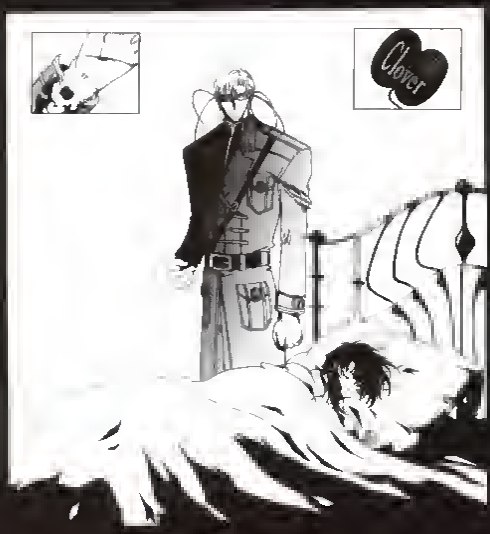
The Gingetsu I know would never do this.

You've changed, my boy.

Especially since adjutant Kazuhiko Ryu's arrival under your command.

As you know the three leafs cannot survive long outside the cage

They will begin to undergo accelerated aging. At best they'll have five years



I understand
Clover

# REBIRTH

『生まれ変わる』

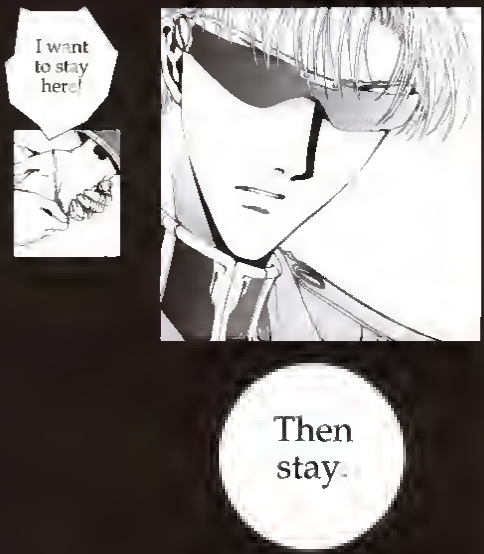
Thank you for everything.

I'd like to contact Wizard Shu

I need to discuss what to do next

Stay here.

What?
As long as you stay inside
the Council will allow it
But !
You're a two-leaf, aren't you?!
Clover
Its going to put you in trouble!
No but. !
Are you planning to make trouble?
Do you have anywhere else to go?



I want to stay here!
Then stay.

Thank
you...

C➡R

So, finally I hear from you.

I ended up covering for you the whole time

『C』

⇩

『R』

If you want to make up for it, you better taste test my cooking

Who's this?

You into little kids now?

I was planning to cook for Ora, but I'm not ready yet So you're my test subject

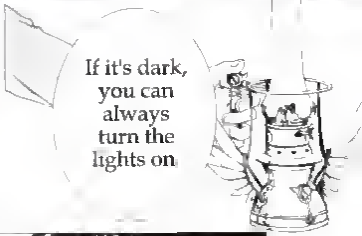
I'm Kazuhiko Fay Kyu You can call me Kazuhiko

What's your name?

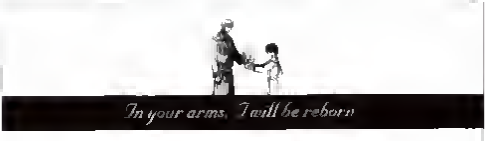
This is Ran.

Nice name

Well nice meeting you Ran
I m gonna start cooking



If it's dark, you can always turn the lights on



In your arms, I will be reborn

*For you I will be reborn*
*An ember just lit*
*Let it not be put out*

*My thoughts*
*just created*
*May they not*
*be forgotten*

*Watch over this cradle*
*I begin again from nothing*
*For myself I will be reborn*

# Me Too

You were able to be reborn
You've become Ran
『私』
『も』
In your arms
I will be reborn
I wish I could be reborn, too
I wish I didn't have to be a four-leaf.

*If you find a four-leaf clover*
*You will discover*
*happiness*

*But*
*It can never be found*

*Happiness lies inside*
*A secret cage*

*No one can possess*
*The four-leaf clover*

*But then,*
*What of the three-leaf clover?*
